

Canadian Pain Society Annual Scientific Meeting Preliminary Agenda

Quebec City Convention Centre
April 29 - May 2, 2026

All efforts will be in place to avoid any adjustments to our agenda, however due to circumstances out of our control, adjustments to timing, topics and presenters may occur without advance notice.

Event Venue and Meeting Spaces

Our entire event will be held at the Quebec Convention Centre located at 1000 Bd René-Lévesque E, Québec, QC.

Our main meeting space will be Room 200C located on the second floor.

Exhibitor Hall will be located in Room 200B

Poster Presentations will be located in Room 200A

Concurrent Sessions will be assigned and located in 301AB, 302AB, 303AB on the third floor.

Please [visit the ASM website](#) for added information and resources.

Breaks and Networking Time

Based on resounding feedback, we have incorporated time for networking and exploring local venues over the lunch hour at your own cost. Meals will be included for sponsored events for those who specifically register to attend. Please refer to the agenda for more information.

Registration Desk Hours

Wednesday from 1500-2000h: TBD

Thursday from 0700-1600h: TBD

Friday from 0700-1600h: TBD

Saturday from 0900-1200h: TBD

Learning Objectives

At the end of this conference, participants will be able to:

- Leverage collaborative relationships and knowledge exchange between research scientists, health care professionals, trainees, and persons with lived experience, to improve pain care for children and adults;
- Describe and critically analyze recent research on the mechanisms and management of pain with our diverse, multidisciplinary membership; and
- Use new knowledge to improve access to high quality pain care, including preventing and treating pain more effectively. Concurrent sessions have been coordinated to encompass mechanisms of pain, biopsychosocial factors of pain, pain treatments, and pain programs, education, policy, and advocacy.

A minimum of 25% of each session will be dedicated to participant interaction.

Scientific Program Track Descriptors

Track 1: Mechanisms of Pain

Track 2: Biopsychosocial Factors of Pain

Track 3: Pain Treatments and Interventions

Track 4: Pain Programs, Education, Policy, and Advocacy

Wednesday April 29

1500h	Registration opens – come let us know you are here and gather your identification TBD
1700h	Welcome and Opening Remarks Room 200C – 2 nd Floor
1730h	Trainee Hot Topics Presentations At the end of this session, participants will be able to: <ul style="list-style-type: none">• Describe the latest research in pain mechanisms and clinical care; and• Critique and evaluate emerging topics in pain research. Titles and Presenters
1845h	Early Career Award: TBD Introduced by Dr. Nader Ghasemlou and Carmen-Édith Bellei-Rodriguez
1915h	Acknowledging our Award Recipients Dr. Nader Ghasemlou and Carmen-Édith Bellei-Rodriguez Person with Lived Experience Leadership Award: TBD Trainee Travel Awards Art Awards
